PROMOTION FOR CHARES J. LANE.

Becomes Assistant General Freight Charles Jackson Lane, for the past six years division freight agent of the Union celfic, has just been promoted to the important post of assistant general freight agent of the same system, with headquarters in this city. Circulars announcing the rometion and signed by J. A. Munroe, promotion and signed by J. A. Munroe, freight traffic manager, and approved by E. Dickieson, general manager, were issued testerday. The appointment is to date from January 1, 1897. In the future Freight Traffic Manager Munroe, will have two assistant general freight agents, Elmer E. Wood continuing in his present position.

The promotion is noteworthy for two rea-First, railway companies are as a ule making more cuts and reductions and ewer promotions these days; second, the very cordial reception given to the news among railway men and shippers and others oing business with the Union Pacific's

reight department. Mr. Lane is a New Yorker, the home of his mother still being near Ithaca, the seat of Cornell university. He came west in 1879, and entered the treasurer's office, St loseph & Grand Island division of the Union Pacific, at St. Joseph. He served that divion of the then great and powerful Union Pacific in various capacities, his last posiion being that of live stock agent, to which se was promoted in October, 1887. In 1890 he was again promoted, this time to the position of traveling freight agent, with neadquarters at Grand Island. In 1891 he was made division freight agent of the Neraska division with headquarters in Omaha nd has served the Union Pacific in this

apacity continuously since then VIEWS OF RECEIVER ANDERSON

Believes that Union Pacific Foreclosure Solves the Problem.
E. Ellery Anderson, one of the receivem of the Union Pacific system, in discussing he defeat of the Powers bill yesterday said: "Personally I was not favorably impressed with the Powers bill. As a Washington paper put it, the bill proposed to increase he security of the government by increasing the amount of the prior liens against the property. We have now spent ten years property. talking over the settlement of this debt nothing has been accomplished. I t the government should take some steps looking to the foreclosure of its mortgage. It should try to arrange for a satisfactory bid, which I think could be successfully done. The parties holding the first lieuwill. I believe, be willing to make a reason-

A local tobacco dealer says the price of Hayana fillers is about 40 cents a pound higher than it was six months ago, as a result of the Cuban war, while the price of Havana wrappers is so high as to be almost out of sight. He says, in fact, that there are no wrappers on the market, because those who have any of them in the will not in a price won, them. cause those who have any of them in atock will not fix a price upon them. He says, further, that as a result of the price there is very little Havana tobacco being used by western factories. Eastern fac-tories which have a reputation to sustain must have the tobacco at whatever cost, or

Stamp sales at the postoffice for the month of December amounted to \$3,419.22, which at the Mercer. is an increase of \$700 over the same month in 1895. Of this amount, however, only \$2,760,22 will go to the credit of this office for the month, on account of an order for

\$650 worth of stamps not having been filleuntil after January 1.

A large increase in the volume of busi ness done in the money order department is also shown. For the year 1895 this office issued money orders to the amount of \$26. 387.75, while during 1896 orders aggregat-ing \$29.728.74 were issued. In 1895 \$43,453.94 was paid out at this office on money orders is against \$48,327.58 in 1898. An increase of \$3,340.99 is shown in the amount of or

FIRE AND POLICE COMMISSION.

Fire Chief Redell Submits His Report and Makes Recommendations.
The reorganization of the Fire and Police board took place at the regular meeting last evening, by the re-election of Mr. Foster chalrman, and Mr. Birkhauser secretary.

Leaves of absence were granted Officers Bloom, Arnold, Flint and Poole, and Fireman Ellis.

Officer Drummy was allowed pay for lost

time, occasioned by an injury received Christmas day while in the performance of his duty. The annual report of Chief Redell of the street commissioner to lay a crosswalk on the annual report of Chief Redell of the the south side of E street at Twenty-fifth fire department showed that the department now conststs of four engine companies; eight hose, three book and ladder and two chemical, with the following accessory aparatus: Four steam fire engines, six hose wagons, five hose carriages, one hose cart, two chemical engines, two ariel book and ladder, one telescope water tower, sixteen portable extinguishers; 20,721 feet of huse, 15,456 of which is rubber and 5,265 cotton, 8,752 feet in poor condition, 3,565 fair, 8,424 good; forty-eight horses, 1,399 public hydrants,

forty-eight horses, 1,399 public hydrants, forty-four private hydrants accessible; 107 During the year ex-Chief Galligan died, three members resigned, seven were dis-charged and six injured. One individual was burned to death on January 21, at 2707 North Twenty-eighth street, Mrs. Maria Dorr; and four firemen, one policeman and three citizens slightly injured at fires. Nine persons were rescued from burning struc-tures by aid of ladders.

The total expenses of the department, less proceeds for sale of horses and disused artiles, \$106,992.83. There were 250 alarms, of which 224 were n buildings, and the number of miles cov-

ered by the department, 1.88615; number of feet of hose used, 77,780, and number of 'eet of ladders, 3,829. Reports of trial runs at quarterly inspec-tions show that hose company No. 3 made the quickest run of the year. The men were all in bed, but crossed the door sill in nine seconds after the alarm came in. Hose company No. 12, under like circumstances, laid 150 feet of hose, and had water coming from the nozzle in fifty seconds.

Value of buildings in which there were fires, \$2,071,960; value of contents, \$1,085,985; total, \$3,157,945. Lors on buildings and contents by fire and water, \$83,068, Total in-surance on this property, \$1,378,010; insur-ance over Ices, \$1,305,887; loss over insurance, \$10,350. Largest number of fires were caused ov accidental ignition of gasoline, thirty-two n number, and there were sixteen real or supposed incendiary fires.

Among the chief's recommendations, was in urgent one for a book and ladder company to cover that pertien of the city west and southwest, and as the city owns the property at Twenty-seventh and Jones, that would be the location for said company. Also that a new hose company be located at Twenty-fourth and Locust, as there is bout one and one-fourth miles intervening etween this and the nearest company. The actual needs of the department are dared at two hook and ladders, two hose vagons, and about ten horses to replace

In conclusion, the chief returned thanks the board, mayor, city council and almost rerybody else for kindly natistance rendered to department during the year. The hearing of the protest against ranting a inquor license to Chris Harmon, 12 South Sixteenth street, was postponed
